GLADYS' GIVE + TAKE

Currently we have a travelling educational & interactive exhibit (Gladys the giant recycle kaleidoscope) that has a recycle sorting station and ReUseArt workshop component.

We visit schools intergrating STEAM & public events.

This grant will enable us to create a permanent , expanded version at the county landfill, encouraging visitation & participation.

Gladys' Give & Take will be situated by the entance of the Inyo County Landfill facility. It will be the 4th (orange) 40 x 8 shipping container with a roof covering the 15ft distance between the adjacent container

ReUseArt murals, living walls living roof & interactive public reuseart display.
